

INTRODUCTION

State laws in Mississippi impact many provisions in the ordinance codes of Mississippi municipalities. This publication is intended to assist municipal attorneys in the identification of provisions in ordinance codes that may require revision in light of state law. The information in this publication is based upon the experience of the legal staff of Municipal Code Corporation in working with the ordinance codes of Mississippi municipalities.

This publication is current through the 2019 regular session.

Not all provisions of this publication will apply to your Code, nor does this publication purport to include all state laws that may somehow affect the language of your Code.

The provisions of this publication are intended to assist municipal attorneys and are not intended to be a substitute for the advice of counsel.

It is not the intent of Municipal Code Corporation in publishing this publication to provide legal advice. An attorney admitted to practice in Mississippi must be consulted as to the applicability of a given statute or case to a particular situation.
